Due to the increase in cases of kidnapping in cases of custody, and a growing number of child victims of traffic or other abductions, an immigration agent, an airline company, or a travel company may ask parents to provide some form of letter of consent if a minor child travels internationally with only one parent or with another adult, such as a teacher, a group travel leader, or an avA . Start by communicating the full name of the Minor who will travel. A Travel Authorization Letter is used when^ a child travels alone, with only one parent/legal guardian, or with an authorized group. Two signature areas have been included in this section so that this requirement can be met. If the consenting parent or guardian wishes to surrender these rights, then a form of child care must be authorized. If your machine does not have such software, then access this template as a PDF file using the browser with which you opened this page and print it directly from the screen. Applicable Law Although not required by law, immigration agents, law enforcement agents or customs agents may detain a child if they suspect that a kidnapping or abduction has occurred. 2 Nd Parent's Name or Guardian(Are) and Identify the Concerned Minor(s) Once this file is opened (as pdf file, Word, or ODT) or printed for preparation, locate the section labeled Ac1.
